CharityVision expeditions are designed to immerse you in our humanitarian work overseas while experiencing the local wonders and culture of the country.

Our goal is to provide you with an unforgettable, executive experience that will touch your heart and create a vision for your future involvement in our programs.

## KNOW THE VOLCANOES

Whether we drive to the top of El Boqueron volcano, swim or jet ski in the oldest volcano, or hike to the tallest, you won't miss out on these unique views during our trip.

## ENJOY A NEW CULTURE

World-known for its surfing, El Tunco beach is just 40 minutes away from San Salvador. A perfect place to relax or help free the sea turtles.

## CATCH THE VISION

Join our local partner FUDEM and help do vision screenings at local elementary schools and communities, deliver glasses to the blind in far-out villages, and scrub up to enter the surgery room and see sight-restoring surgeries first hand.

## MAKE A LASTING IMPRESSION

Your donation from this trip goes to a permanent screening program, which will reach 200,000 children each year from the most remote places in El Salvador.
